

MAKTEK KONYA

3rd Machine Tools, Metal - Sheet Metal Processing Machines, Tool Holders - Cutting Tools, Quality Control - Measurement Systems, CAD/CAM, PLM Software and Manufacturing Technologies Fair.

October 8 - 11, 2025

Konya Maktek 2023 Key Figures

2023

351 Companies & Representatives
From **20** Countries

36.415 Professional Visitors
From **51** Countries

Feedbacks

Exhibitor and Visitor Feedbacks

Exhibitors

The exhibitors state that they were very satisfied with the fair. **92%** of exhibitors plan to exhibit again.

Visitors

82% are satisfied with the fair.
91% plan to visit the fair again.
87% recommend the fair to their business network.

Why Should You Visit

- » **High quality products with competitive prices.**
You can find new products of world's leading brands, compare them easily with a wide range of alternatives and get advantageous prices.
- » **Latest design and trends.**
You can see latest trends, new designs and alternatives in the exhibiton which brings together world's leading brands and companies.
- » **Make B2B meeting with company owners.**
You can meet with producers and dealers, company owners from a wide territory and cooperate effectively with them.
- » **Konya is the heart of metal processing with a large amount of OIZs.**

A large green gear graphic on the right side of the slide. The word "Visit" is written in white, stylized letters across the center of the gear. The background of the slide features a blurred image of industrial machinery, possibly a water fountain or a similar structure, with water droplets visible.

Exhibit

Why Should You Exhibit

- » Find the opportunity to showcase your latest products and technologies directly to the right target audience.
- » Meet with professional visitors who will strengthen your business network in the sector and seize new commercial opportunities.
- » Strengthen your brand image and brand awareness in the industry.
- » Take the opportunity to meet with producer, manufacturers, raw material suppliers, distributors, wholesalers and dealers in the sector.

FIVE REASONS FOR KONYA INDUSTRIAL SECTOR INVESTMENTS

1 Konya, which is strategically located in the center of Anatolia, provides easy access to 1.5 billion customers in Europe, Eurasia, the Middle East and North Africa.

2 It has a strong industrial structure with 11 Organized Industrial Zones and 89 Industrial Sites.

3 It hosts Türkiye's leading companies in welding machines, compressors, guillotine shears and presses, engine renewal machines, various drills and similar metal processing machines.

4 Konya has 45% of the Turkish market in the field of metal processing. Konya where 90% of the parts used in tractors and 100% of the parts used in agricultural machinery are produced, hold 65% of the Turkish market in this field.

5 In Konya, 450 companies in the metal casting industry produce with a capacity of 270,000 tons per year. This covers 18% of the metal casting production in Türkiye.

Konya Maktek 2025

Scope of the Fair

» CNC and Universal Machining Machines

- Machining Machines (Lathe - Milling - Grinding - Sharpening Machines)
- CNC Lathes
- CNC Machining Centers
- CNC Wire Erosion Machines
- Saw Machines

» Sheet Metal Processing Technologies

- Laser Cutting, Plasma Cutting and Pipe Laser Machines
- Abkant - Punch
- Cylinder - Profile Bending Machines
- Presses

» Cutting and Holding Tools

» Welding Cutting Equipment, Welding Machines and Industrial Robots

» Electrical, Electronic and Automation

» CAD/CAM, PLM Technologies

» Measuring Instruments, Quality Control Devices and Equipment

» Machinery and Connection Elements, Gears, Sub-Industry Equipment and Materials

» Compressed Air Technologies

» Storage and Stacking Machines and Equipment

» Conveyor and Transport Systems
